

News letter: Community Based Health Care

Issue: 01 ; May, 2023

Community Clinic is a priority program conceived by the Honorable Prime Minister Sheikh Hasina which is being implemented through the Community Based Health Care (CBHC) operational plan and is a shining example of the success of the present government which is celebrated at home and abroad. Through this program, the poor and underprivileged rural people of the country are getting integrated health, family planning and nutrition services from the nearest community clinic. It is a joint effort of the people and the government.

Celebration of 23rd Community clinic day

The community clinic day celebration held on 26th April 2023. A month long (26 April 2023 to 25 May 2023) program is ongoing. The day starts with cutting a cake at chairman's (Prof Dr. Syed Modasser Ali) office room.
